AMEND Senate Bill No. 1331

House Bill No. 1204*

by deleting all language after the enacting clause and by substituting instead the following:

SECTION 1. Notwithstanding any law to the contrary, any water quality criterion for fish and aquatic life established for selenium shall not be more stringent than the recommended national criterion established by the United States Environmental Protection Agency at Volume 69, Federal Register No. 242, Friday, December 17, 2004, or as subsequently modified by such agency.

SECTION 2. The water quality control board is directed to take such action as is necessary to effectuate this action. To the extent rulemaking is necessary, any such rules shall be promulgated and adopted as public necessity rules.

SECTION 3. This act shall take effect upon becoming law, the public welfare requiring it.
